Re: Mitsuko Naka v. Akemi Levevre, et al.  
Los Angeles Superior Court Case No. PC 017444 W

Dear Dr. Polsky:

This will confirm the above-referenced dogbite litigation has been resolved.

Thank you very much for your expertise and assistance in the defense of this claim. It was immediately following your deposition that plaintiff's counsel indicated a willingness to consider a settlement for something other than "full value" of a strict liability claim. Without your knowledge and ability to forcefully state your opinions and conclusions in the deposition it is doubtful this matter would have settled before the binding arbitration.

I will not hesitate to recommend your services to any other attorney in my office who is in need of an expert evaluation of the behavior of an animal.

Sincerely,

Robert E. Kuhn
