Re: Victor v. Rohn

Dear Dr. Polsky:

I want to thank you very much for your work in this matter. Your opinion letter was greatly instrumental in achieving a settlement of well over half a million dollars for the damage done to my client by the plaintiff's unsupervised, unrestrained, unmuzzled pit bulls.

I look forward to working with you in the future any time I have any other matter, either for a plaintiff or a defendant, with respect to animal attacks due to the owner's culpability and negligence.

With best personal regards, I remain

Sincerely,

Britain H. Bryant
