RE: BARBARA DE PEW v. ANITA BEPPU

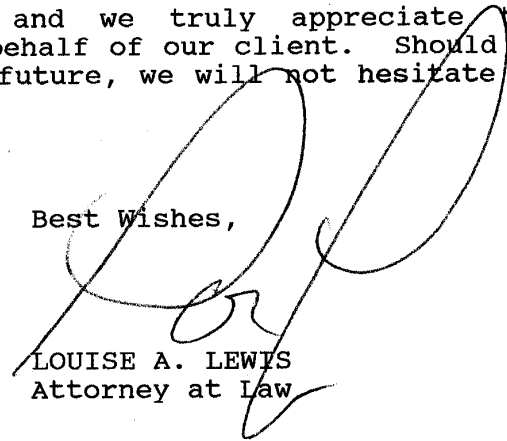

Dear Dr. Polsky:

As we informed you this morning, the above-noted case settled just prior to trial. In large part, we attribute defense counsel's willingness to settle the case to your participation, level of expertise and valuable deposition testimony.

You served us very well and we truly appreciate the professionalism you provided on behalf of our client. Should we need your services again in the future, we will not hesitate to contact you.

Thank you, again!

Best Wishes,

LOUISE A. LEWIS
