Re: Twogood, et al. v. Griffith, et al.
LASC Case No: PC008694

Dear Dr. Plosky:

I would like to take this opportunity to thank you for your testimony at the arbitration for the above entitled matter. Your straight forward expert testimony played an integral role in showing the arbitrator that the dog that hit into the motorcycle had a propensity towards chasing motorcycles, etc.

You may use this letter as a letter of reference and feel free to give my name and telephone number to any potential clients so that I may elaborate on your expertise.

Thank you for your assistance in the above referenced matter.

Very truly yours,

WEINREB, WEINREB & MANDELL
