RE: Barrett v. Continental Pipe & Supply, etc., et al.  
RCSC Case No. Indio 52994

Dear Dr. Polsky:

Thank you for all the work you did on the case of Barrett v. Continental Pipe & Supply. We were successful in obtaining a plaintiffs' verdict, in no small part due to your efforts.

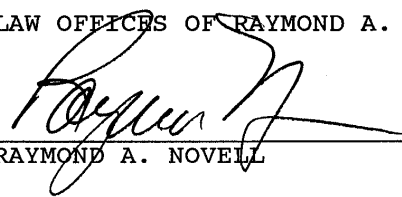

The jury took only thirty minutes to award \$30,000.00 to Mr. Barrett. They were unanimous in their verdict. I believe the verdict to be a just and fair one given all the circumstances of this case. The jury told me that had there been more damages, they clearly would have awarded more damages. The jury said that they believed our case and did not believe the defendants' case.

Ironically, the day of the verdict, a story about you and your work appeared in the Indio paper, The Press-Enterprise. I thought you might like to have it for your scrap book.

Thanks again for the great work on the successful outcome of the Barrett case.

Sincerely,
