**Re: *Gillies v. Martin and Davis***

Dear Dr. Polsky:

I am glad that I ran into your expert listing on the Internet. Although I am sometimes leery of calling experts without having a personal reference, I called you in desperation because I needed help with my Dalmatian case. Your obvious expertise, together with your good common sense and excellent knowledge of the law, helped me prepare many aspects of my case and ultimately lead to a settlement twenty-four hours before your scheduled examination of the dog.

I would highly recommend you as an expert to any lawyer, plaintiff or defendant.

With kind regards,

Yours truly,
